**Course Grade/Dutch Knockout:**

Your grade for the course is based on the higher of the following:

- 1) grade from the entire semester's work (including final exam), *or*
- 2) grade on the final exam only. Thus, if you do not do as well on other tests and assignments, it may be possible to still receive a good grade by doing well on the final exam.

Course grades are set according to a scale, which is determined the day *after* the final exam. Thus, tests are not assigned letter grades.

**Makeup Tests:**

The Final Exam will take the place for those who missed either the first or the second test and have an acceptable excuse. Acceptable excuses are rare; examples include death in the family, University sponsored athletic events, or serious illness. *You must submit an excuse with proper documentation that must be approved by the professor within 1 week after the missed test.*

**Final Exam:**

There is ONE final examination. You must take the Final Exam at the University scheduled time. There is no makeup for the final exam.

**Grading Questions:**

If you have any questions about grading of a test or assignment, see your Discussion Session TA first. If you are not satisfied, then please see me. *You must do this within 1 week of the assignment or test date.*

**Add, Drop, and Withdrawal:**

Please see the UVA Summer Session website for dates about adding, dropping, and withdrawing. *It is the student's responsibility to be familiar with university policies associated with Add, Drop, and Withdrawal and to take such actions on their own behalf, if the student deems it appropriate.*

**Credit/No Credit:**

For students taking the course credit/no credit, the minimum grade for credit is a C-.

**Disabilities:**

To discuss individual accommodations for disabilities as recommended by the Learning Needs and Evaluation Center, see your discussion section TA during office hours as early in the semester as possible. *You are responsible for coordinating accommodations with your discussion section TA.*

**Honor:**

Because of the Honor System at Mr. Jefferson's University, I assume students are truthful with teaching assistants and me and do not cheat on tests and exams. In the unlikely event that you observe an incident of cheating, I assume you will contact an Honor Advisor. Students deemed (by the professor) to have violated the University's Honor System are **not** eligible for the Dutch knockout.

**Legal Note:**

Students are prohibited from selling notes for this course to any person or commercial firm (or being paid to take notes) without the express written permission of Carter Doyle.

**Our Contract:**

This syllabus is an important document. *Continued enrollment* in this course *indicates your agreement* with all stipulations laid out in this document. All future discussions between you and me assume your continued agreement with this syllabus.
