

Daniel Kwiatkowski

Economics PhD Candidate
Fields: Theory, Experimental
University of Virginia, Charlottesville, VA
dvk9af@virginia.edu — +1 (540) 729-0024

Education

Ph.D in Economics, University of Virginia, 2025 (expected)
M.A. in Economics, University of Virginia, 2020
B.A. in Economics, University of Virginia, 2019

Working Papers

“Competition and Price Informativeness: An Experiment”
“The Directional Difference Test” (joint with Charlie Holt and Sean Sullivan)

In Progress

“The Value of Medicaid Expansion: Evidence from the Oregon Health Insurance Experiment” (joint with Sasha Ruby)
“Can Price Inform Quality when Verification is Costly? The Grossman-Stiglitz Paradox in the Lab”
“Cursedness in Simultaneous and Sequential Voting Games”

Teaching Experience

Summer 2023 - Spring 2024: Instructor

- Taught ECON 2010 (Introduction to microeconomics) and ECON 3010 (Intermediate microeconomics)
- Created curriculum, problem sets, quizzes, and tests
- Taught unofficial core prep sessions to help prepare first-year graduate students for the qualifying exam in microeconomics

Fall 2020 - Spring 2023: Teaching Assistant and Grader

- Worked as a TA for ECON 2010, ECON 3720 (Introduction to econometrics), and ECON 5090 (Mathematics for economists)
- Graded for ECON 3110 (Mathematical microeconomics), ECON 4010 (Game theory), and ECON 4170 (Risk and uncertainty)
- Contact: Marc Santugini, ms3ae@virginia.edu

Awards & Grants

Bankard Fund for Political Economy Fellowship
Snively Prize for Dissertation Proposal

Conference Presentations

Cursedness in Simultaneous and Sequential Voting Games, Economic Science Association, 2023
Can Price Inform Quality when Verification is Costly?, Economic Science Association, 2022
